

ARMOR

Our facilities are equipped to handle manufacturing jobs, big or small

Mason, Ohio

Armor's plant in Mason, Ohio provides more than 315,000 SF of manufacturing space. On 50 acres, our Mason facility is also home to our corporate office and provides the abundant capacity to accommodate future growth.

Lebanon, Ohio

Armor's 58,000 SF facility in Lebanon, Ohio features a large powder coating line with the ability to handle large or small production runs.

Elkhart, Indiana

The Armor Group operates two facilities totaling 70,000 SF in Elkhart, Indiana. From this location, Armor manufactures metal washers and stampings. This location provides timely and economical access to suppliers and customers across the industrial Midwest.

Chonburi, Thailand

The Armor Group operates a 30,000 SF facility in Chonburi, Thailand expanding our manufacturing and assembly capabilities to serve the Asian market. Allowing for multiple simultaneous machine builds for food & beverage, battery, and other industries.
